## *Project Management and Ethical Collaboration for Humanists*

DLCL 205 (3 or 5 credits) & 305 (1-5 credits)  
Tuesdays / Thursdays 1:30 - 2:50

Role-play a year in the life of a digital humanities project,  
while learning about the complex ways that people,  
technology, and institutional structures interact  
in traditional academic contexts,  
“alternative-academic” careers, and beyond.
